

Syariah Individual Health Insurance

MiUltimate HealthCare Syariah

Live More Peacefully, Free from Worries

Healthcare costs are increasing

Indonesia

Cancer: Rp400-600 million

Kidney: Rp700-950 million

Singapore

Cancer: Rp2-2.5 billion

Kidney: Rp1-1.2 billion

Costs of treatment for critical illnesses in Indonesia and abroad continue to rise year after year.

In 2023, Indonesia experienced medical inflation of:

13.6% per year*

The risk of illness can come at any time and to anyone, making health insurance an important component to maintain the family's financial stability.

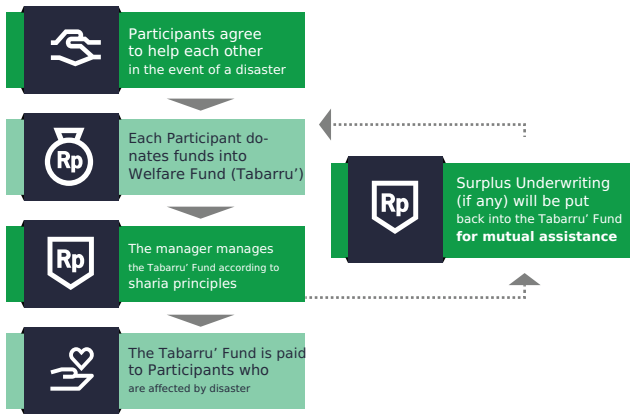

By choosing a health insurance that fits needs and financial ability, life can be more peaceful and of higher quality.

*AAJI 2023 data

Tabarru' Contract

Grant agreement in the form of a contribution from one Participant to the Tabarru' Fund for the purpose of mutual aid among Participants that is not commercial in nature and not for commercial purposes.

Wakalah Bil Ujah Agreement

Commercial agreement that grants the Manager power as the Participant's agent to manage the Tabarru' Fund and/or Participant Investment Fund, in accordance with the granted power or authority, with compensation in the form of Ujah (Fee).

Tabarru' Fund

A pool of funds originating from Contributions of MiUltimate HealthCare Syariah Insurance Policyholders, the mechanism of which usage is in accordance with the Sharia Life Insurance agreement as referred to in Law Number 40 of 2014 concerning Insurance.

Ujah (fee)

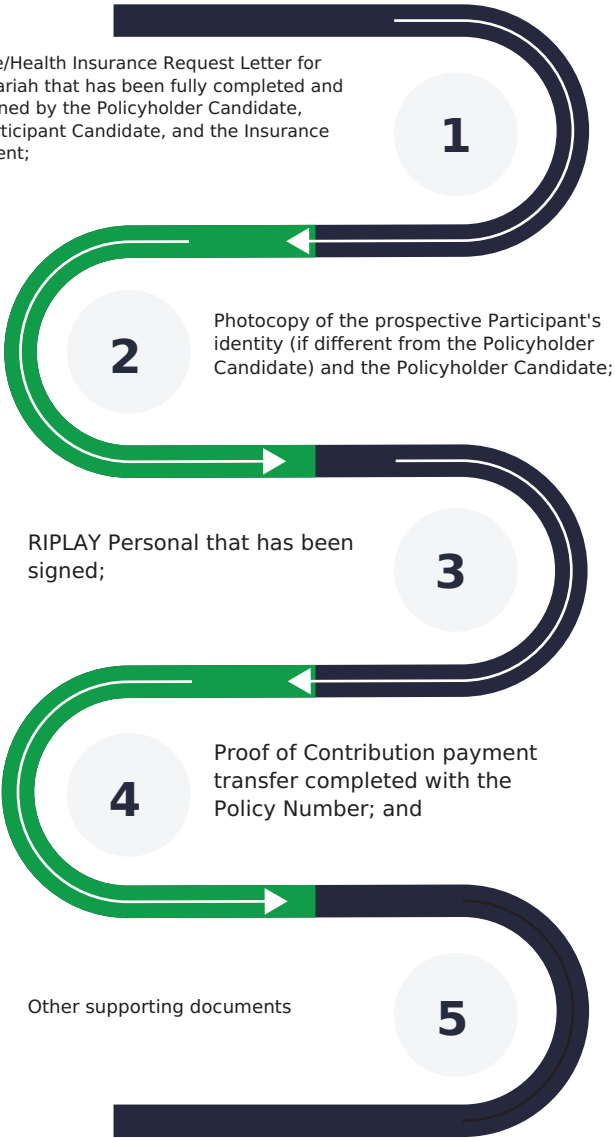

A pool of funds originating from Contributions of MiUltimate HealthCare Sharia Insurance Policyholders, the mechanism of usage of which is in accordance with the Sharia Life Insurance agreement as referred to in Law Number 40 of 2014 concerning Insurance.

Surplus Underwriting

Surplus Underwriting Tabarru' Fund is the excess of total Contributions from policyholders in the Tabarru' Fund plus total recovery claims from reinsurers less the payment of benefits/claims, reinsurance contributions, and an increase in technical provisions, in a certain period. If a Surplus Underwriting occurs (if any) the Administrator will reinvest it back into the Tabarru' Fund.

New Insurance Application Procedure

Documents that must be prepared by the Customer when applying for a new application are:

After the documents are complete, the prospective Participant and/or Additional Participant will undergo the risk selection process.

Exclusion

The Sharia Health Insurance Program becomes invalid if the Participant and/or Dependents are treated as a result of or related to:

- Pre-Existing Condition (Pre-Existing Condition).
- Medical care costs incurred during the elimination period, except due to Accident.
- All Treatments and/or surgeries for a specific illness that occur within 12 (twelve) months after the Policy Issue Date or Addendum date or policy recovery date, whichever is later.
- The Participant and/or Dependents have been diagnosed with Cancer by a Doctor where there are signs and symptoms that have been diagnosed and/or are undergoing treatment within 90 (ninety) calendar days from the Policy Issue Date or the date the policy recovery takes effect, whichever occurred last.

Note:

Full information that can cause the policy to be canceled and benefits paid refers to the Exclusion provisions stated in the MiUltimate HealthCare Sharia Policy Terms.
